POLICY STATEMENT

As part of Utility Location Services Pty Ltd (ULS) commitment to achieving the principles of responsible environmental management, sustainability and protection of the natural environment in our workplace, ULS recognise our moral and legal responsibility to ensure that our activities, products and services are designed to protect and enhance the environment in the communities in which ULS operate, and our obligations to ensuring that our operations do not place the natural environment or the local community at risk of harm.

AIMS AND OBJECTIVES

ULS are committed to environmental improvement and prevention of pollution.

ULS will achieve this by working with our Customers, Suppliers and the Community to adopt procedures that:

- Reduce waste through innovative work practices and recycling practices.
- Minimise environmental impacts by reduction of polluting substances produced by our operations, activities, products or services.
- Achieve improvement through our commitment to our Mobile Quality Management System which is accredited with ISO 14001 standards.
- Minimise the impact of our operations on the neighbouring community.
- Increase the use of environmentally acceptable materials, equipment and technology in place of those which are considered harmful.
- Ensure that our Suppliers follow acceptable environmental policies.
- Actively promote environmental awareness among workers, clients, customers and the general public.
- Meet the requirements of other interested parties as well as our social, compliance, regulatory and legislative responsibilities.

RESPONSIBILITIES

ULS recognise that the overall responsibility environmental sustainability rests with management, who will be accountable for the implementation of this policy.

These responsibilities include;

- ensuring that all environmental policies and procedures are implemented;
- establishing measurable objectives and targets to ensure continued improvement aimed at the elimination of waste, pollution and environmental harm;
- encouraging consultation and co-operation between management, workers and stakeholders in matters which may affect or impact on the environment; and
- providing adequate resources to meet these environmental commitments.

Workers also have responsibilities, which include ;

- following all environmental policies and procedures; and
- recognising and reporting hazards which may affect the health and well-being of the environment.

CONTINUOUS IMPROVEMENT

ULS will continue to monitor and improve in all our roles and daily tasks, be it on the front line, a supporting role or a management position. Our strategy to achieve our objectives and targets will be done with continuous monitoring and review through meeting outcomes, general observations and feedback, innovation, and strategic planning.

ULS is committed to continual evaluation and improvement of our Environmental Policy. This policy is applicable to all ULS operations.
